Items of Business:

- Scholastic Book Fair: Melissa Jackson & Jessica Slade
 - ◇ January 25, 1:30-6:30 pm & January 26, 1:30-3:30 pm
 - ◇ Teacher wish list is on a paper and kids can see what their teachers want. Mrs Glissmeyer can use leftover scholastic bucks to buy library books, but books need to be approved before placed in the library.
 - ◇ Only 1 register because there is a shortage, so we have enough volunteers. Anyone can come help set up at 12:45 on the 25th. Clean up is a little easier so we won't need as much help.
- Teacher Dinner: Anna Atwater. We have enough volunteers. Teachers may come and go because a specific time isn't blocked off for dinner.
- STEM Fair/Invention Convention: Anna McFadden
 - ◇ Participation prize for everyone and a few medals will be awarded. We have judges for science fair but we need a few more judges for Invention.

- Spelling Bee: April Pohlman.
 - ◇ 27th at 2:00. PTO's job is to provide 1 volunteer to help moderate and to provide healthy snacks for those participating. We may have volunteers for that already.
- February Service Project: Jennifer Philpot
 - ◇ Each teacher gets 1 flier and a black bag for collection. 6 most needed items are requested. Digital and paper fliers go out the week before on the 11th. We will have a sign out front too.
 - ◇ 13th-16th collection days. Friday we will calculate the winners for 2 class pizza parties.
 - ◇ Let's post about the drive on social media a few weeks early so that parents can start collecting if they want to.
 - ◇ Student Council can announce the current winner standings in the middle of the week to motivate classes to bring in last donations.
 - ◇ We will remember to talk to the winning classroom teachers for allergies info. Our collection goes to the Bountiful Food Pantry office who gives it out to our district.
- April motions to approve \$200 for February service project and Carrie seconds. All approve.
