Welcome

Announcements Burton Play is coming. Sign ups by the office.

Today is election day. Once we know about the bond we can talk about what to do with our excess funds.

Meeting Minute Review: Cher Oliver motioned. Second by Carrie Poor.

Student Council Report:

Faculty Liaison Report: Mrs. Moon. It's been great to have parent help in the school again.

SEL Update: LeeAnn Jackson. Social Awareness: empathize with others who are different from us. Cooperative learning helps you learn to work with others in group settings.

Financial Report: Brittany Flint. Once the budget amount is spent, we may be under our budgeted amount, we will have \$30,000. We are waiting to hear the school's needs to see where to best utilize those funds.

Could we help with field trip fees? School says they are covered this year.

Do we know how much they normally need if PTO wants to support this more in the future?

Recognition/Thank You's:

- To all those who helped with vision screening
- Brooke Scheurer, Jessica Bean, Rachel Pace and Stephanie Morales- Safety Week
- Book Sale was awesome, teachers received

Items of Business:

- Service Project - Jennifer Philpot
Some ideas: Caring Coins- school collects coins during the week. Maybe PTO can match?
Utah Food Bank: they get hit hard in February so maybe do it then?
Can we add to the giving tree the Student Council is doing?

Let's do the Food Bank in February, focusing on 6 most needed things. Can the top class earn a reward? Maybe support our own district's food pantries? Things for Friday pantry packs.
